Re: fcc filer id 826297

I am filing an appeal of the USAC fees paid in 2007. To present, the amount is \$2764.37.

Based on USAC criteria, we are eligible for the de minimis status. We are also a new registrant, collecting fees for the service beginning in 2007.

Therefore with no 2006 income, being a new registrant and not expecting to pay \$10,000 in contributions in 2007, I respectfully request a refund of the funds paid to USAC this year.

Thank you in advance for your consideration of this matter.

Sincerely,

Denise Davidson
